Gas For Which Designed:

Refrigerant r-134a

Product Name:

Gts104 screw compressor

Special Features:

Operating range -32 degrees c to 55 degrees c (-25.6 degrees f to 131 degrees f); watercooled; approved lubricant: castrol sw220

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A026a0
