Case Material:

Steel, galvanized

End Application:

Air handling unit rs 24087-512-0119

Coil Tube Quantity:

8

Connection Type:

Flange

Product Name:

Cooler, air

Special Features:

The width is 120.0 cm. The height is 47.0 cm. The fin pitch is 25.0 mm and they are made of aluminum. The connection side is the left side.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T240-c
