End Application:

Undercounter ice cuber machine

Body Shape:

Rectangular

Product Name:

Water trough assembly

Special Features:

Part for ice-o-matic refrigeration undercounter ice cuber machine; service parts manual dated 08/06 page 4 and 5 item 15; for models iceu 150, 220, 225 and 226

Material:

Aluminum alloy or steel, corrosion resisting

Material:

Aluminum alloy or stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T135-c
