End Application:

Refrigeration plant p/n 107898-003 onboard 210 ft wmec coast guard cutters

Usage Design:

Refrigeration unit

Tube Material:

Copper

Cooling Type:

Air

Product Name:

Evaporator, thaw box

Special Features:

Multiple fans; defrost heaters (coil and drainpan), all enclosed in an aluminum housing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T240-f
