Overall Width:

20.000 inches

Body Thickness:

1.000 inches

End Application:

Stryker

Design Type:

Reusable

Bodylength:

144.000 inches

Product Name:

Air filter roll

Special Features:

Maximun temperature 225 degrees f; color is blue

Material:

Polyester body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
