Overall Width:

9.000 inches

Body Thickness:

0.400 inches

End Application:

25511-002 drive cabinet for electrical davit system

Bodylength:

9.000 inches

Filtering Media Design:

Shredded single filtering media response

Product Name:

Exhaust filter

Material:

Fiber body

Style Designator:

Rectangular (incl square)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
