Diameter:

12.000 inches

Blade Quantity:

4

Attachment Method:

Setscrew

Rotation Direction For Which Designed:

Clockwise

Hub Location:

Back

Material:

Aluminum and steel

Style Designator:

Overlapping straight tip

Reference Number Differentiating Characteristics:

As differentiated by material, hub location, cw rotation and hub dim.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A087a0
