Diameter:

2.250 inches

Blade Quantity:

10

Attachment Method:

Setscrew

Hub Location:

Center

Special Features:

Rotation is determined by facing air discharge

Material:

Aluminum

Style Designator:

Rounded tip

Reference Number Differentiating Characteristics:

As differentiated by the special feature requirement

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A087a0
