Stage Quantity:

1

End Application:

6630-01-364-8555

Drive Type:

Direct

Rotation Direction For Which Designed:

Clockwise

Features Provided:

Air filter and safety impeller guard

Discharge Direction:

Horizontal

Special Features:

For use on analyzer, bloodgas; mdl. 4300

Style Designator:

Fixed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A087a0
