Overall Length:

11.800 inches

Overall Height:

11.400 inches

Overall Width:

9.100 inches

Voltage In Volts And Current Type:

240.0 ac

Special Features:

Portable; one-stage empeller design; 250m³/h with a maximum suction force of 850 pa 3.5 in wc; designed for mainly solder fumes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
