Diameter:

9.947 inches

End Application:

Air conditioner

Blade Quantity:

43

Attachment Method:

Setscrew

Rotation Direction For Which Designed:

Clockwise

Product Name:

Blower wheel

Blade Shape:

Forward curve

Special Features:

Bore size 1/2 in., mfg lau industries, inc. Distributed by united refrigeration

Material:

Steel

Style Designator:

Curved blades double width

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A087a0
