Diameter:

33.945 inches

Mounting Hole Quantity:

8

End Application:

Super quiet navy fan vane axial fan model ir340-27002541 gas turbine cooling fan

Blade Quantity:

19

Attachment Method:

Bolt hole

Rotation Direction For Which Designed:

Counterclockwise

Hub Location:

Center

Material:

Aluminum blade

Style Designator:

Straight blades single width

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A087a0
