Drive Type:

Direct

Prime Mover Type:

Electric motor

Mounting Facility Type And Quantity:

1 base

Rotation Direction For Which Designed:

Counterclockwise

Outlet Location:

Bottom

Product Name:

No. 2e, 2eh and 2 veh blower or exhauster pressed steel

Special Features:

2e 9 inch wheel 0.500 in bore

Material:

Steel housing

Style Designator:

Fixed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A087a0
