Overall Height:

705.0 millimeters

Overall Width:

707.0 millimeters

End Application:

Xbase 400 laser engraver

Wattage Rating:

0.240 kilowatts

Voltage In Volts And Current Type:

230.0 ac

Product Name:

Purex fume extraction system with connection kit and one set of filters

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
