Reducer Type:

Concentric

Connection Style:

Plain (hose) 2nd end

Connection Type:

Threaded internal hose 2nd end

Special Features:

Made with spanner lugs, size 2-1/2x1-1/2

Material:

Copper alloy

Media For Which Designed:

Water single response

Surface Treatment:

Chromium

Thread Series Designator:

Uns 2nd end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A080b0
