**End Application:**

P/N4-72-457-1,NS

**Special Features:**

Container conforms to dot-4ds700pressure data: service-700 psig; burst-2400 psig; test-1800 psig

**General Description:**

Container and fittings: polished cres 304l; welding wire-cres 308lc; capacity-60 cu in min; weight 2.00 lbs min; stresses-based on 100% weld efficiencyand .056 min side wall: service-23, 131psi; test-59, 480 psi; burst-79, 305 psi

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
