End Application:

Pkp non-magnetic portable extinguisher

Size Designator:

18 lb

Mounting Position:

Vertical

Bracket Style Designator:

2

Extinguisher Type For Which Designed:

Dry chemical

Criticality Code Justification:

Zzzy

Style Designator:

Running boardw/ clamp

Reference Number Differentiating Characteristics:

Magnetic permeability shall not exceed 2.0 after fabrication

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
