**Container Material:**

Steel, corrosion resisting

**End Application:**

Fire extinguishing sys halon 1301

**Design Type:**

Stationary and hand

**Unit Type:**

Charged

**Capacity Rating:**

6.5 pounds

**Extinguishing Agent For Which Designed:**

Bromotrifluoromethane

**Extinguishing Agent Discharge Method:**

Cartridge

**Product Name:**

Inavy)fire extin w/o cartridge

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T278-b
