Width:

0.125 inches

Overall Length:

1.875 inches

End Application:

Je-1135; rectangular fire damper horizontal; automatic fusible link

Melting Point Temperature Rating:

160.0 degrees fahrenheit

Link Type:

Solder

Special Features:

Two holes 1/4 in diameter centered 7/8 in apart; two 1/2 in diameter ends

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501x0
