Integral Strainer:

Not included

Head Type:

Spiral

Connection Thread Size:

1/2in

Connection Thread Location:

External

Connection Thread Series:

Npt

Flow Capacity At Specificationified Pressure Rating:

9.49 gpm at 100 psi

Spray Angle Pattern:

120.0 degrees

Material:

Steel, stainless

Material:

Stainless steel

Media For Which Designed:

Water or mechanical foam or chemical foam

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T278-n
