**Overall Length:**

6.812 inches

**Design Type:**

Chemical foam

**Output Capacity:**

100.0 gallons per minute

**Hose Connection Thread Location:**

Internal

**Hose Connection Thread Diameter:**

1.000 inches

**Hose Connection Thread Series Designator:**

Nh

**Discharge Type:**

Fog and solid stream

**Product Name:**

Nozzle, fire hose

**Material:**

Aluminum

**Media For Which Designed:**

Chemical foam

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A555f0
