Overall Length:

6.812 inches

Design Type:

Chemical foam

Output Capacity:

100.0 gallons per minute

Hose Connection Thread Location:

Internal

Hose Connection Thread Diameter:

1.000 inches

Hose Connection Thread Series Designator:

Nh

Discharge Type:

Fog and solid stream

Product Name:

Nozzle, fire hose

Material:

Aluminum

Media For Which Designed:

Chemical foam

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A555f0
