Overall Length:

8.000 inches

Inlet Connection Type:

Threaded internal tube

End Application:

Halon sys prop gas turb eng; halon sys ship serv gen set

Outlet Connection Type:

Threaded internal pipe

Outlet Thread Series Designator:

Unf

Inlet Thread Size:

0.500 inches

Inlet Thread Series Designator:

Ngf

Outlet Thread Size:

0.438 inches

Special Features:

Controlling agency name for item is manual/electric co2 actuator valve assembly

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A504a0
