Integral Strainer:

Not included

Head Type:

Sprinkler or spiral

Connection Thread Size:

1/2 inch npt

Connection Thread Location:

External

Connection Thread Series:

Npt

Flow Capacity At Specificationified Pressure Rating:

K80 lpm/bar 1/2

Product Name:

Sprinkler head

Spray Angle Pattern:

360.0 degrees

Special Features:

Series ty-b 5mm bulb, k equal 8.0, 1/2inch npt, pendent sprinkler; chrome plated; temp up to 155deg f; model ty4951agavgfire protection

Material:

Bronze and copper alloy

Material:

Copper alloy

Media For Which Designed:

Chemical foam or vaporizing liquid

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T278-n
