End Application:

Misc parts fire extng systems lpd 0021

Head Type:

Sprinkler

Connection Thread Size:

1/2 in. Mm-15

Connection Thread Location:

External

Connection Thread Series:

Npt

Special Features:

Standard upright sprinkler type, polyester coated upright ul and ulc listed corrosion resisant

Material:

Brass and copper

Material:

Copper alloy and copper

Media For Which Designed:

Water

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T278-n
