End Application:

Barrier boat, 25 foot, 25bb0607, 608, 609, 610, 611, 612, 613, 614, 615

Design Type:

Automatic

Product Name:

Marine fire protection

Special Features:

Volume of protection 1000 ft; size 8.1 x 27.5 in; fe extinguishing system are designed to include a atmospheric concentration of 8.5% within the protected compartment; suitable for use from 32deg f to 130deg f

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T278-b
