Overall Height:

17.000 inches

Overall Width:

16.750 inches

End Application:

Famet fire fighting truck

Output Capacity:

1250.0 gallons per minute

Extinguishing Agent For Which Designed:

Water

Product Name:

Deckmaster electric remote controlled monitor

Special Features:

Automated elevation deployment provides ease of operation over obstructions while eliminating the need for extra extensions or telescoping pipes; flows up to 1250 gpm (4800 lpm) for greater knockdown; horizontal rotation 344 degrees; vertical travel 90 degrees above to 45 degrees below horizontal; stowage position set easily by the end user; pump panel control standard; automatic drain for freeze protection; coated electronics to resist corrosion; cast-in turning vanes for more efficient flow

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T278-v
