Container Material:

Steel, stainless

Design Type:

Hand

Capacity Rating:

2.500 gallons

Control Device Type:

Squeeze-grip

Extinguishing Agent For Which Designed:

Foam

Extinguishing Agent Discharge Method:

Stored pressure

Special Features:

10-12 ft initial range; discharge time 55 sec

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T278-b
