End Application:
4220-01-158-4147
Functional Description:
U/o 109 adjustable second stage
Reference Data And Literature:
Configuration 3, catalog 11-109-000
Relationship To Similar Equipment:
Similar to p/n 01-040-002 mouthpiece gum rubber and p/n 01-040-004 mouthpiece orange
General Description:
Color black; rubber
Type/model Designation:
Mkv
Fsc Application Data:
Marine life saving and diving equipment
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
