Physical Form:

Sweep

Biobased Content Percentage:

100.0

Product Name:

Absorbent sweeping compound

Environmental Attribute Code:

Sorbents - biobased

Special Features:

Bio-based usda biopreferred 97%; comes in a 22 in x 16 in x 4 in poly bag; sweeping compound is a non-grit product that can be used on most floor surfaces. Sweeping compound uses no dyes that reduce ability to gather dust and dirt from the floor. Natural beige color will change from gray to black as it cleans the surface. When compound turns completely black that indicates time to change the compound. A patented select oil is used to reduce oily build up and leave a polished sheen on the floor surface

Shelf Life:

N/a
