Overall Length:

4.000 feet

Overall Diameter:

3.000 inches

Product Name:

Chemical sorbent mini-boom

Special Features:

12 per case; ingredients: less than 6 pct surfactant cas 107-41-5 and greater than 94 pct polypropylene cas 9003-07-0; yellow color; no known potential health effects; environmental effects unknown

Functional Description:

Used to encircle spills and to contain leaks

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523v0
