Physical Form:

Granular

Biobased Content Percentage:

97.0

Product Name:

Absorbent

Environmental Attribute Code:

Sorbents - biobased

Special Features:

Absorbs a wide range of oils, fuels, anti-freeze, etc. Contains micro-organisms that bioremediate hydrocarbons into carbon dioxide and water. Bio-based granules encapsulate spill on contact.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T089-b
