Overall Width:

11.800 inches

Overall Diameter:

23.180 inches

Filter Material:

Chromium free carbon

End Application:

Simplified coll prot eqmt xm28

Special Features:

C/outlet to shelter and inlet from blower located on top; filter canister, hermetically sealed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T282-t
