Oxygen Generating Breathing Apparatus - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4240-01-460-9034

Unit Package Quantity:
1
Component Quantity:
3
Component Document Origin:
Industrial
Document Source:
0u058
Special Features:
The plus 10 is intended to be used as an escape filter hood in fire and smoke emergencies where oxygen exists in sufficient quantity to
sustain life
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23800
