Overall Length:

44.000 inches

Overall Width:

17.000 inches

Product Name:

Smokes bag

Special Features:

The smokes bag is designed for the h-60 cabin and has pockets sized to store mk-25 & mk-58 smoke canisters, and electric sea marker lights. The bag features durable, multiple-ply construction using 1050 denier ballistics nylon fabric. Attachment is accomplished with 2 quick release stainless steel snap shackles at the top, & the bottom is secured by 2 adjustable straps with snap hooks. Each smoke canister pocket has an individual flap that is secured with a high strength stainless steel mini-buckle. The front panel provides stowage for 6 mk-58 canisters & the rear panel has 2 mk-58 pockets & secured stowage for 3 electric sea marker lights. All hardware is corrosion resistant.
