Graduation Unit:

1.0 pounds per square inch

Actuation Type:

Pressure sensing element

Scale Name:

Pressure

Scale Type:

Dial

Scale Smallest Increment:

1.0 pounds per square inch

Actuating Element Material:

Steel, corrosion resisting

Special Features:

Industrial pressure gage, 2.5 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-b
