Industrial Knee Pads - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4240-01-582-0729

## **End Application:**

Pads, knee, industrial

## **Special Features:**

Dual injection molded flex cap design allows flexibility for ease of movement and comfort; minimizes gap between the bottom of the cap and nylon carrier when flexed; padded side extentions for comfort and improved strap positioning; contoured interior ledge secures pad positioning; 600 denier nylon shell; closed-cell foam padding provides excellent shock resistance and prevents water absorption; adjustable hook and loop elastic straps
