Product Name:

Os100 welding powered air purifying respirator system

Special Features:

Cpmtain: high efficiency particulate air filter syste (hepa) , air hose isprotected with a flame-retardent cover, battery life: 8 hours of normal use, battery charging time: 7 to 9 hours for total charge, niosh 42, cfr 34 ansi z87, csa z94.

Color:

Black main body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A217a0
