End Application:

Tools

Design Type:

Folding

Side Rail Material:

Aluminum

Side Rail Length:

144.0 inches

Crosspiece Type And Quantity:

6 step

Safety Shoes:

Included

Product Name:

12 ft aluminum modular ladder

Special Features:

Item shall meet special duty iaa rating.Ladder hook and a-frame bracket material shall be machined 5/16" aircraft grade aluminum plate and anodized flat black.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T325-a
