Overall Height:

13.00 inches

Overall Width:

14.75 inches

Component Identifying Number:

R100 series software no.

Product Name:

R100 oil-less refrigerant recovery unit

Special Features:

Fast twin cylinder 1 hp oil-less compressor recovers direct liquid at up to 5 lbs./min. Or 0.6 lbs./min. Vapor per ar1 740-95 high capacity; 6" muffin fan and oversized 3/8" slit fin condensor; tank overfill sensor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
