End Application:

4310-00-462-7487

Special Features:

Designed for natural gas; 100.000 psi gage discharge pressure, compressor cooling , air, compressed gas cooling, air; 1 cylinder, 4.875in. Od

Material:

Iron cast

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A517u0
