Body Diameter:

0.620 inches

Body Inside Diameter:

0.507 inches

Filtration Rating In Microns:

40.0

Body Thickness:

0.287 inches

Design Type:

Reusable

Filtering Media Design:

Sintered single filtering media response

Material:

Stainless steel filtering medium

Style Designator:

Round (basically flat w/ opening)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
