Body Style:

Plain ends

Casehardening Indicator:

Not casehardened

Outside Diameter:

0.50000 inches

Bore Diameter:

0.3750 inches

Body Length:

2.3350 inches

Metallic Hardness Rating:

19.0 rockwell c and 27.0 rockwell c

Bore Style:

Straight-thru bore

Special Features:

One end has reduced id 0.195 in. Diameter by 0.189 in. Lg

Material:

Steel, type 135, kidde inc

Material:

Steel, type 135, kidde inc

Fsc Application Data:

Compressor, reciprocating

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09500
