**Overall Length:**

21.000 inches

**Overall Height:**

12.000 inches

**Overall Width:**

8.000 inches

**Pump Quantity:**

1

**Specific Gas For Which Designed:**

Air

**End Application:**

Air respirators

**Prime Mover Type:**

Electric motor

**Safety Device Type:**

Safety relief valve

**Special Features:**

Pump, air, electric, 3/4 hp

**Relationship To Similar Equipment:**

4310-01-133-2400

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A06700
