NSN 4310-01-252-1923

Air Compressor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4310-01-252-1923

General	Description:
---------	---------------------

600 psi; 20.0 cfm

Reference Number Differentiating Characteristics:

Magnetic permeability shall not exceed 2.0 after fabrication

Shelf Life:

N/a

Unit Of Measure:

__

Demilitarization:

No
