End Application:

Hamworthy engineering co series 2tf5 two stage compressors

Surface Finish:

Finished

Finished Size Designation:

Standard

Pin:

Included

Pin Type For Which Designed:

Floating

Ring:

Not included

Integral Connecting Rod:

Not included

Special Features:

Second stage piston

Material:

Iron, cast

Material:

Iron cast

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-g
