Criticality Code Justification:

Zzzy

Special Features:

Carbon steel; cadmium plated; 2 9/32 in. H; 3 1/4 in. Dp; piston stop nut

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A525j0
