Compressor Piston - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4310-01-347-4614 **Overall Height:** 5.190 inches Diameter: 1.190 inches **Surface Finish:** Semifinished **Integral Connecting Rod:** Included **Criticality Code Justification:** Zzzy

Steel, corrosion resisting

Material:

Material: Stainless steel

Reference Number Differentiating Characteristics:

Magnetic permeability shall not exceed 2.0 after fabrication

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

T103-g
