Body Diameter:

7.875 inches

Body Inside Diameter:

4.750 inches

End Application:

Nitrogen/oxygen generator, cosmodyne inc, model lox

Design Type:

Limited

Bodylength:

4.688 inches

Filtering Media Design:

Pleated single filtering media response

Special Features:

W/polyurethane prefilter

Material:

Paper filtering medium

Style Designator:

Cylindrical w/open ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
