**Body Diameter:**

7.875 inches

**Body Inside Diameter:**

4.750 inches

**End Application:**

Nitrogen/oxygen generator, cosmodyne inc, model lox

**Design Type:**

Limited

**Bodylength:**

4.688 inches

**Filtering Media Design:**

Pleated single filtering media response

**Special Features:**

W/polyurethane prefilter

**Material:**

Paper filtering medium

**Style Designator:**

Cylindrical w/open ends

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A24000
